

WHITE REVOLUTION

Ask your veterinarian if the different breeds of dogs are all equal in intelligence and temperament and personality proclivity.

If genetics don't matter, then why not buy your toddler a pit bull for a playmate?

The pedigree of your grandchildren is more important than the pedigree of your pets.

Help us make sure that your progeny aren't mongrel mutts.

White Revolution : P.O. Box 2024 : Russellville, Ar. 72811
